PROFESSIONAL SUMMARY

Leader, Builder, and Innovative problem solver with 13+ years scaling businesses across multiple industries and markets.
Built ventures from scratch, owned P&Ls, led teams of 320+, and delivered double-digit unit-economics gain.

EDUCATION

MSc, Business Analytics & Big Data | IE Business School, Madrid, Spain **2018**
BSc, Chemical Engineering | Cairo University, Egypt **2008**

PROFESSIONAL EXPERIENCE

Yaga | *Second-Hand Marketplace, Egypt & UAE*
Market Launcher **Jul 2026 – Present**
- Launch Yaga in Egypt from zero; Go-To-Market strategy, localization, pricing, and unit economics.
- Build the two-sided supply and demand base, seeding Sellers and listings while driving early Buyers acquisition and activation.
- Established operations end to end: payments integration, logistics, CX workflows, and the founding.

Zahran | *Grocery & Retail E-Commerce, Egypt*
Director of Supply Chain **Jan 2026 – Jun 2026**
Director of E-Commerce **Sep 2024 – Dec 2025**
- Built Zahran's e-commerce business from the ground up; operations, fulfillment, customer experience, and growth.
- Scaled GMV 34% YoY, with monthly online revenue consistently hitting double-digit multimillion EGP.
- Launched Zahran mobile app, reaching 31% MoM downloads and driving 11% of online sales within 6 months of release.
- Promoted to lead end-to-end supply chain through Distribution Center and 27 branches: warehousing, and replenishment.

The Food Lab | *Cloud Kitchen, Egypt*
Director of Operations **Apr 2023 – Aug 2024**
Head of Operations **Oct 2021 – Mar 2023**
- Built operations from scratch. Scaled a single garage kitchen to 5 cloud kitchens plus a central production facility.
- Designed and built in-house Supply Chain Management system, cutting 28% in procurement/waste costs.
- Engineered all Operations frameworks and SOPs supporting 29 brands.
- Led a team of 320+ across operations, supply chain, and customer experience.

Foodics | *Point-of-Sale SaaS, Egypt*
General Manager **Jul 2020 – Jul 2021**
- Launched Foodics in Egypt. Architected the go-to-market strategy to maximize ROI and demand generation.
- Acquired 200+ stores in three quarters, building the local sales, onboarding, and Customer Experience.

Glovo | *Last-Mile Delivery Aggregator, Egypt*
Country Operations Manager **Jul 2019 – May 2020**
- Owned country operations and unit economics. Launched new cities. Grew the fleet supply organically.
- Cut cost per order by 38%, lifted fleet utilization 35%, reduced delivery time 25%, and dropped cancellations 39% through data-driven dispatch, pricing, and supply planning.

Halliburton | *Oil & Gas, Egypt*
Business Developer **Aug 2018 – Jul 2019**
Technical Professional Engineer / Associate Lab Technician **Mar 2012 – Aug 2017**
- Progressed from lab technician to engineer to business development over 7 years; accelerated new products and opportunities.

Egyptian Armed Forces | *Armored Brigade*
First Lieutenant, Platoon Commander **Oct 2008 – Oct 2011**
- Led and mentored a 28-soldier platoon through operations, missions, and training.
